Conservancy workers must have better facilities

- Staff Reporter

Tamilaga Dalit Munnetra Kazhagam has urged the district administration to ensure that local bodies provided safety gear and full payment by the contractors to the conservancy workers they engaged.

Wrong impression

In a release, the outfit alleged that local body officials created a wrong impression that manual scavenging was absent.

There was also a misconception that the workers used gloves, masks and other equipment for cleaning, it said.

Pay

The outfit urged the Collector to ensure that the conservancy workers were provided a healthy environment at their workplace and also got their promised pay.
