

## Municipal workers up in arms

*To stage dharnas across State on February 2*

Andhra Pradesh Municipal Workers' Union State general secretary Asula Ranganayakulu on Friday said that members of the DWCRA and CMEY groups would stage protests across the State on February 2 demanding that the government withdraw G.O. 279. The workers would scale up their agitation in all municipalities and corporations, opposing the government move on February 8.

The TDP government, during its earlier stint, encouraged the DWCRA and CMEY groups. But, the Chief Minister had issued the G.O. ordering the termination of services of the groups. The move was aimed at benefiting the TDP workers and contractors, he said.
